

Description:

Premium all-season advanced universal semi-synthetic motor oil, specially formulated to meet ACEA A3/B4 requirements for modern petrol and diesel engines, including Euro 4 applications. Blended with high-performance synthetic and mineral base oils. Helps protect the engine when using low-quality fuel, supporting long engine life. Features low oil consumption and helps keep the engine clean.

Application:

Ideal for most petrol and diesel engines, including direct injection systems (Common Rail, HDI, CDI, etc.). Thanks to its optimal viscosity index, it delivers reliable year-round performance across various climates.

Approvals and Specifications:

ACEA A3/B4

API SL/CF

MB 229.1

RENAULT RN0700

RENAULT RN0710

VW 501.01/505.00

Specifications:

Density at 15 °C, Kg/L	0.863
Viscosity at 40 °C, mm ² /s	91.00
Viscosity at 100 °C, mm ² /s	14.10
Viscosity index	159
Cleveland flash point, °C	225
TBN, mgKOH/g	10.2
Pour point, °C	-39
